ARKLEY

THE NATURAL CHOICE

Boasting soft linen and cotton fibres with a beautiful organic feel, this timeless Italian fabric will create effortless style in both traditional and contemporary interiors. Offering a transitional aesthetic and wonderfully tactile finish, ARKLEY is the perfect addition to relaxed spaces with an urban feel. From rustic comfort to casual sophistication, ARKLEY has every design scheme covered with a harmonious balance of texture, colour and construction that will incorporate into existing interiors with ease.

Application: ARKLEY's dry textured finish and organic mood will feel at home on upholstery, drapery and sophisticated accents. A dual-purpose fabric with a charming multi-tonal effect, ARKLEY boasts a mixed soft fibre blend that is perfect for pairing with wooden accents and relaxed tones in both residential and commercial applications.

Colourways: Offering a comprehensive selection of traditional and contemporary hues, ARKLEY's carefully selected colourways are designed to enhance the beautiful textures of the natural fibres. Sophisticated neutrals such as Otter, Pebble and Ash are timeless shades with a sense of refinement, while bright hues such as Azure, Coral and Lagoon will bring a fresh pop of colour for added depth and personality.

Rating: Perfect for drapery and upholstery, ARKLEY's dual-purpose characteristics are a welcome addition in both residential and commercial settings. With a diverse colour palette and delightfully textured finish, ARKLEY is the ideal fabric for relaxed spaces seeking natural composition and effortless style.

DESIGN	USAGE	COMPOSITION
ARKLEY	Drapery / Heavy Commercial Martindale 45,000	50% Cotton, 28% Viscose, 16% Linen, 4% Acrylic, 2% Polyamide
