## CUMULUS

### TIMELESS, CALMING WITH UNMISTAKABLE STYLE – CUMULUS by Warwick

This essential drapery delivers refined texture, understated style, and nuanced colour. CUMULUS is a natural linen-look blockout that offers a luxurious handle and timeless appeal, adding a considered finish to window treatments. When paired with a sheer, CUMULUS provides enhanced privacy, sound absorption, and insulation benefits.

- DESIGN: CUMULUS is woven from a 100% polyester composition, delivering inherent durability and easy-care performance. Its plain weave, piece-dyed construction incorporates subtle inflections of complementary yarn shades, creating a delicate decorative surface. A supple handle and ultra-soft texture ensure an elegant drape, forming generous folds and refined puddling.
- APPLICATION: Designed in a wide 300cm width with continuous capabilities, CUMULUS is an ideal solution for expansive glazing in residential interiors and architectural-scale commercial spaces. It is also well suited to Roman blinds, delivering a relaxed aesthetic while maintaining effective sun protection. As a 100% light blockout, it enhances privacy and rest, creating calm and comfortable environments for bedrooms and living areas.
- COLOURWAYS: CUMULUS is thoughtfully coloured in a comprehensive palette of soft pastels and neutrals inspired by comforting tones found in nature. Available in 10 colourways including Driftwood, Sage, Clay, Cloud, and Pewter, this blockout offers versatility, relaxed natural texture, and an atmosphere of quiet refinement.
- RATING: Wide width and Oeko-Tex certified.
