

WARWICK

TEXTURED WOOLS WITH A TRANSITIONAL NATURE - OCTAVIUS by Warwick

Overview: Gently textured and transitionally toned - OCTAVIUS brings a woven wool to the Renew and Warwick Naturally ranges. Tenacious, adaptable, and woven from 75% recycled wool yarn, this Italian wool-blend boasts a heavy commercial rating with dual-purpose capabilities for endless applications.

- **Application:** From comforting cushions to opaque drapery, and upholstery large or small, OCTAVIUS is perfect for every situation with a two-toned, transitional nature. Sumptuous and strong, this woollen blend brings balance, contrast and visual depth to any interior with an enticing matte finish.
- **Sustainability:** One of the highest forms of sustainability is reuse and Renew fabrics give post-consumer waste a new life by diverting it from landfill. OCTAVIUS is made from 75% recycled wool, sourced from the reuse of fibres from clothing and other textiles. These items are put through a mechanical process which returns the textiles to fibres, then they are re-spun into yarn and woven to create OCTAVIUS.
- **Colourways:** With 30 colours in its collection - OCTAVIUS presents an array of textures and tones to unite interiors of any mood. From tailored and tweed-like to playful and present day - this Italian wool blend brings strength and structure to most environments. For cheerful and bold see colours like Fuchsia, Wasabi and Cobalt. Adding more trending tones to this collection are Dusk, Lavender, and Spruce. Classic and vintage hues can be found in Sesame, Graphite and Truffle.
- **Rating:** OCTAVIUS is fire rated to AS1530.3 standards and boasts a heavy commercial rating with reversible, dual-purpose capabilities. Adaptable and accommodating, this Warwick Naturally, Renew wool brings balance and contrast to countless spaces with its selection of speckled colours.
