

WARWICK

QUILTED FABRIC FOR A MODERN LUXE SPACE - BENITO by Warwick

Beautiful, padded and soft to the touch, BENITO is a must-have in any modern interior. Named after the word 'blessed' in Italian, BENITO takes inspiration from the high quality and style found in Italy. Luxe and on-trend, this contemporary quilted collection is ideal for bringing comfort and sophistication into a space.

- **DESIGN:** Using the plain, leather-look fabric of Pelle, BENITO adds a classic quilted diamond pattern, enhancing the soft-touch qualities found in the Pelle collection. Its pre-softened finish offers ultimate comfort, while the additional quilted characteristics adds plumpness and padding for a plush and luxurious look and feel. This collection will sit perfectly in modern sophisticated and luxe interiors.
- **APPLICATION:** With the added benefit of Halo easy-clean characteristics and FR testing, BENITO is durable and suitable for heavy commercial applications, as well as residential. Its soft, padded quilted finish makes this fabric ideal for creating sumptuous yet modern luxe upholstery pieces, and spaces.
- **COLOURWAYS:** In a generous range of 15 colourways that are also featured in the Pelle range, BENITO offers a classic tone for a sophisticated look. From natural earth tones, to traditional leather hues of Greenstone, Navy and Bordeaux, BENITO's colour range, along with its quilted leather-look finish, creates extra dimension and is diverse in nature.
- **RATING:** Heavy commercial with AS1530.3 fire rating, BENITO offer high durability and has the added benefit of Halo easy-clean. A softer and quilted patterned version of Pelle, BENITO is contemporary and will sit effortlessly in any space and create a touch of luxury.
