Bondi

Make a splash this season

This Summer, bring the outside in and the inside out. Building on the success of our outdoor collection, Waikiki, the Bondi Collection is an exciting new range of the freshest outdoor fabrics.

Named after iconic Australian beaches such as Bells Beach and Bondi Beach, the boldness of our stripes and versatility of our stunning new geometrics, will leave you wanting to live outside permanently.

Specifically developed for the outdoors in both design and vibrancy, these fabrics perform in a diverse range of settings year round; and coordinate beautifully with endless combinations of weaves and plains.

The Bondi Collection gives you license to redefine your space and greet the outdoors with open arms. All designed in the Warwick design studio in Australia.
