

WARWICK

MAKING A MESH STATEMENT WITH INDUSTRIAL GLAMOUR – CYPRUS by Warwick

CYPRUS brings light, lustre and luxury with a refined brilliance that is alluring and practical. The interplay between transparency and texture perfects understated prestige and architectural elegance.

- **DESIGN:** Constructed in a fine mesh weave that is balanced with airy translucence, CYPRUS showcases a graceful drape, accentuated by metallic yarns, encompassing a cascading fluid rhythm.
- **APPLICATION:** Self-weighted and available as a 310cm wide continuous, semi-sheer construction. CYPRUS is a contemporary style for both commercial and domestic installations. Made from 100% polyester, it is as versatile as it is beautiful where room dividing, layering or elevated ambiance is needed.
- **COLOURWAYS:** Mimicking brushed metal finishes and the iridescent beauty of precious stones, the colourways in CYPRUS are elegant and alluring from soft silver and diamond to the richness of bronze and zinc.
- **RATING:** Oeko-Tex certified with AS1530.3 fire rating.
