

WARWICK

THE PERFECT PARTNER - GRAVITY by Warwick

Overview: GRAVITY will enhance the mood of any room with subtle tactile textures. Designed for both traditional and contemporary interiors, GRAVITY boasts a dry herringbone plain while coordinating PULSAR offers a textured soft handle; both perfect for tailored upholstery. This versatile collection will complement existing design schemes and colour palettes in an overall style statement that is effortlessly refined.

- **Application:** Ideal for upholstery applications, from high traffic areas to comfy cushions scattered throughout the lounge room, GRAVITY will make any interior feel like home. GRAVITY is a tactile range that is perfect in both residential and heavy commercial environments.
- **Design:** PULSAR offers a soft touch knit base with an embossed print that creates texture and visual interest, while GRAVITY's piece dyed weave features multi coloured yarns to achieve a tonal aesthetic and subtle herringbone finish.
- **Colourways:** Be inspired by GRAVITY's sophisticated colour palette, with key neutrals such as Mocha and Steel offering a refined yet relaxed mood perfect for contemporary interiors with a natural vibe. Alternatively, add some colour with tones like Navy and Cloud offering a modern twist on more saturated traditionals for a timeless aesthetic.
- **Rating:** Fire rated and Oeko-Tex certified, GRAVITY is a transitional quality that offers natural cotton fibres with the added benefit of strength and durability while coordinating PULSAR is protected by HALO characteristics. This perfect partnership is ideal for heavy commercial and residential environments with high traffic areas.
