PERFECTLY PLUSH – LEISURE by Warwick

Overview: Introducing soft textures in a stunning neutral palette of modern hues, LEISURE is a timeless collection that is perfect for both traditional and contemporary spaces. Featuring plush corduroy textures, LEISURE and coordinating LINGER and HUSH offer an indulgent collection that seeks to create a calm and tranquil ambience. Providing a more refined take on conventional upholstery fabrics, this collection can be mixed and matched to offer a style statement that is relaxed, warm and effortlessly sophisticated.

- Inspiration: Drawing on rest and relaxation, LEISURE is inspired by the state of contentment. Boasting lush textures in an array of neutral shades, this collection creates an ambience that is balanced, cosy and inviting.
- Application: LEISURE is the perfect collection for adding comfort to your home or commercial space. Fusing tactile soft touch textures, Halo characteristics and heavy commercial durability with an urban colour scheme, this collection offers a serene sense of luxury to existing interiors, perfect for statement pieces such as deep sofas, plush bedheads, modular furniture or soft touch accents.
- Design: HUSH's geometric texture is a perfect match for the traditional stripe details of LEISURE. To complete the design statement LINGER's textured print finish offers a classic look with soft touch characteristics.
- Colourways: Modern neutrals in an array of sophisticated shades create a diverse colour palette. Snow, Sandshell, Oatmeal and Pewter offer a fresh light mood, while Pavement, Mouse, Ebony and Java provide contrast with darker tones for a bold and polished style statement.
- Rating: Featuring the Halo properties of high performance and easy cleanability, LEISURE is a highly versatile collection that is FR rated and Oeko-Tex certified, making it the ideal fabric for upholstery applications in both residential and commercial settings.
