

WARWICK

BLURRING THE LINES BETWEEN INSIDE AND OUT – MAURITIUS by Warwick

OVERVIEW: Inviting, comfortable and unique, MAURITIUS will have you synchronising indoor and outdoor living spaces with ease.

A versatile collection that is contemporary yet timeless, MAURITIUS offers bold tribal patterns that will enhance the mood of any area. Whether your style is earthy and sophisticated or bright and vibrant, this statement collection is designed to reflect your unique sense of style with a strong selection of mix and match themes.

- **INSPIRATION:** Drawing inspiration from the bold geometrics and striking aesthetic of the current tribal theme, MAURITIUS presents captivating designs that will bring depth and character to spaces both indoor and out.
- **DESIGN:** Featuring three transitional designs, MALINDI offers an organic small-scale stripe with two-tone characteristics; while MOMBASA's mid-scale multi directional pattern perfectly balances the large-scale stripe pattern of MAURITIUS.
- **APPLICATION:** MAURITIUS is a dual-purpose SUNDEC collection that is perfect for furniture and drapery in both indoor and outdoor environments. Featuring a soft dry handle, this bold reversible range offers a beautifully textured finish. With a solution-dyed Olefin construction and exceptional colourfastness to protect against UV rays, MAURITIUS is also ideal for the robust nature of outdoor settings and pool-side furniture.
- **COLOURWAYS:** Offering a broad colour pallet that has been broken into two distinct categories; refined and earthy hues are joined by summery brights to allow the collection to meld into any setting.
- **RATING:** Stain treated, washable, bleach cleanable and Oeko-Tex certified, this versatile, dual-purpose collection presents a harmonious balance of colour and design. With the added benefit of HALO characteristics and reversible tendencies, MAURITIUS will incorporate into existing homes with ease. Featuring highly desirable SUNDEC properties that are developed to withstand sunlight, mould and mildew growth, chlorine damage and general wear and tear, MAURITIUS allows you to live outdoors as much as in, without compromising on style.
