## TEXTURED TWEED – NIXON by Warwick

Overview: Introducing a tweed-look collection with a raw and natural aesthetic, NIXON is contemporary with an urban mood. The perfect balance of texture, colour and handle, NIXON adds depth to present-day interiors with a style statement that is refined, modern and effortlessly sophisticated.

- Inspiration: With a strong construction and tactile textures, NIXON draws inspiration from the classic and simple characteristics of traditional tweed qualities.
- Application: Featuring a dry handle and tactile finish, NIXON is a yarn dyed plain with a striking multi-coloured texture. Offering a sophisticated colour palette, NIXON'S tweed aesthetic will bring a rustic urban feel to contemporary interiors both at home or in a commercial environment. Perfect for stylish settings, mid-century recoveries and refined accents, NIXON'S versatility is matched only by its unique and distinctive appeal.
- Colourways: Key neutrals such as Linen, Ash and Steel are timeless shades that will incorporate seamlessly into existing colour schemes, while Peony, Sunshine and Cloud are soft pastels with a fresh and on-trend aesthetic. Denim and Charcoal offer darker tones for a more traditional style statement.
- Rating: With Halo characteristics of high performance and easy cleanability, NIXON is Oeko-Tex certified, perfect for upholstery purposes in heavy domestic and general commercial environments.
