## EFFORTLESS ELEGANCE with Paros by Warwick

Overview: Light and texture interplays to inspire Warwick's newest range of premium sheers. Enduringly elegant, PAROS features a textured weave and raw finish balanced by an inherent softness and gentle float. The wide width sheer presents in a durable polyester with a conveniently weighted hem for effortless drop. A delicate, textured weave enhances its tactile qualities and heightens its modern appeal.

- Inspiration: Breezy coastal living and island resort luxury have influenced the design for PAROS.
- Application: A self-weighted, continuous drape presents in a 300cm wide-width, perfect for expansive, architectural windows and unstructured Roman blinds. PAROS' textural, sheer qualities give any window treatment a sophisticated yet relaxed aesthetic.
- Colourways: A definitive selection of 9 neutral colourways bring warm and cool hues to a captivating sheer. Classic Snow and Linen are a tonal complement to contemporary greys like Pewter, Moonbeam, Mist and Sepia. Deeper shades of Charcoal, Taupe and Asphalt add instant, modern elegance to any space.
- Rating: PAROS is a FR tested sheer that will add a serene sense of luxury to any residential or commercial interior.
