ROCKLAND

TREND-FORWARD, TEXTURAL QUALITY WITH DIVERSITY AND LUXE APPEAL – ROCKLAND by Warwick

Mimicking the surface of organic, rocky texture, ROCKLAND is a contemporary plain that brings a soft, textural quality. Durable and silky to the touch, ROCKLAND is perfect for creating eclectic interiors with its playful palette and visual appeal for both modern residential and urban commercial spaces.

- **DESIGN:** ROCKLAND is a knitted fabric that is piece dyed and digitally printed with a small-scale pattern embodying the surface of a rocky texture. Featuring a fleece backing for additional comfort, ROCKLAND is stylish and ideal for adding subtle dimension and visual interest with its trend-forward quality.
- **APPLICATION:** Heavy Commercial, ROCKLAND is bound to create plush upholstery pieces and cushions with textural appeal, bringing comfort and style. With the added benefit of Halo easy-clean, ROCKLAND is a durable collection that will provide a casual yet chic feel to an array of interiors.
- **COLOURWAYS:** Featuring 16 colourways, ROCKLAND offers a timeless, on-trend palette that complement its texture and will enrich any space. Soft neutrals can be found in Ivory, Dune, Grey and Glacier for a modern style, while Fire, Blush, Marigold and Berry bring warm, romantic options for soft pops of colour. Emerald and Green are perfect for a nature-inspired aesthetic, whilst Aqua, Sky, Aegean and Indigo provide calming blue hues.
- **RATING:** Heavy Commercial with Oeko-Tex certification and Halo easy-clean properties, ROCKLAND is a versatile collection that will sit effortlessly in any modern residential or urban commercial space. Certified for quality management system ISO9001, ROCKLAND also features an AS1530.3 fire rating to ensure protection.
