

WARWICK

Tahiti

Tahiti Drapery hanger with texture close up

Tahiti is the latest addition to our range of wide width, continuous sheers. Featuring a dry, subtle slubby linen-like texture, this elegant sheer will beautifully filter light whilst providing privacy for your interiors.

Stunning on its own, or used in conjunction with blinds or thicker curtains, Tahiti will create an opulent and luxurious feel.

Tahiti is constructed using 100% polyester yarns that create a subtle two-tone effect across six striking neutral hues; Ash, Charcoal, Flint, Quartz, Smoke and Snow.

At 300cm wide and with lead weighted banding, you are assured a perfect and continuous drape every time.

Tahiti is Oeko- Tex certified, and has been rated for fire retardancy, making it ideal for both domestic and commercial applications.
