TIMELESS DRAPERY TO SOFTEN AND CALM – BARNETT by Warwick

A sophisticated combination of modern plain weave designs come to life in the inviting and relaxing BARNETT collection. Timeless designs with Oeko-tex certification and a focus on drape and transitional colour, BARNETT and RUTHERFORD will create beautiful drapes, lampshades and roman blinds for residential interiors of any style.

- **Application:** Tran-seasonal in nature, BARNETT and RUTHERFORD are timeless and sophisticated piece dyed qualities, suitable for mood softening curtains, tasteful roman blinds and elegant lampshades. Both are Oeko-tex certified and reversible, and while RUTHERFORD boasts a natural-look texture, BARNETT has a chunkier weave with subtle sheen. These urban inspired designs are perfect to create standard width drapery in a wide variety of spaces, from relaxed coastal to modern inner city interiors.
- **Colourways:** BARNETT and RUTHERFORD have an offering of seven refined colourways. Classic neutrals are found in Coconut and Alabaster, while Peat brings an earth toned brown hue. Smoke and Gull are sophisticated steel grey tones, and to complete the selection - Slate and Crow are more modern colours for cool urban spaces.
- **Rating:** Oeko-tex certified with a refined and reversible finish, BARNETT and RUTHERFORD offer a relaxed drape for any domestic interior. From the sophisticated urban to calming seaside style, BARNETT is an inviting collection for drapery, roman blinds, and lampshade applications.
