

WARWICK

A STYLE PEDIGREE with Legacy Tapestry by Warwick

Overview: The LEGACY TAPESTRY Collection brings together a series of prestigious designs with the layered texture and sophisticated detail of a traditional tapestry, yet the soft touch and easy-use appeal of a modern construction. Using intricate, machine jacquard weaves, the exclusive collection delivers decorative designs and traditional patterns with a subdued colour palette to give the collection contemporary relevance. LEGACY TAPESTRY is available as indent only.

- **Inspiration:** The richness and grandeur of a historically significant, artisan crafts are represented by a comprehensive collection of tapestry style fabrics for modern use.
- **Application:** Updating traditional spaces or refreshing an heirloom piece, LEGACY TAPESTRY's extensive library of upholstery options will give new life to heritage furnishings and add a touch of charm and character to eclectic designs.
- **Designs:** A series of weaves and textured yarns are used to depict a broad range of decorative designs that feature botanical influences, stately patterns and harmonious interpretations of historical narratives.
- **Colourways:** A subdued treatment of classic embroidery colours to reflect the traditional character of the collection while giving it a sense of modern sophistication.
- **Rating:** A beautifully crafted upholstery for residential and commercial interiors.
