Representing the rich European culture through its namesake, the line is made up of tones and character that personify any environment. Timeless designs with a focus on drape, colour and sophistication, HELSINKI is a calling of classic style.

- **Application:** This collection will infuse warmth and a striking energy into any residential or commercial space with a timeless yet modern appeal. Featuring a range of plain textured Dobbie weaves that have been piece dyed in different yarn fibres for additional character, HELSINKI offers a collection of urban qualities perfect for sophisticated Roman Blinds and drapery applications as well as tailored lampshades.
- **Design:** Featuring texture with a hand feel that is soft to the touch, HELSINKI's transitional designs all offer a refined finish. ALLEGRA is a textured plain, HELSINKI offers a subtle brushed herringbone and MUNICH features a subtle textured twill. BERLIN's weave structure creates the perfect balance between texture and a micro herringbone.
- **Colourways:** This on-trend neutral range features nine colours across four designs that shift from cool tones of Ice and Onyx, modern urban colors including Steel and Sand to warmer shades of Sepia and Driftwood.
- **Rating:** Fire tested for both AS1530.2 and AS1530.3 and suitable for lampshades, drapery and roman blinds, HELSINKI is an inviting collection that is perfect for drapery in both residential and commercial settings.
