## EFFORTLESS SOPHISTICATION – BODHI by Warwick

Overview: With sophisticated two-tone textures, BODHI offers the ultimate sense of comfort without compromising on style and durability.

Presenting a comprehensive colour palette of transitional hues, BODHI will complement any design scheme from soft and tranquil to bold and dramatic. The perfect addition to any space, BODHI offers satin-like textures with a rich, sumptuous finish that will transform urban interiors into warm, comfortable abodes.

- **Design:** Featuring piece dyed construction and an intricate jacquard weave, BODHI exhibits a stunning two-tone yarn with visual interest and subtle texture to enhance the overall aesthetic of any room.
- **Application:** Boasting soft tactile textures and a smart tailored look, BODHI is a timeless plain with a sophisticated aesthetic that is designed to blend seamlessly into traditional and contemporary interiors. With the addition of HALO characteristics BODHI is the perfect fabric for furniture in both residential and commercial spaces.
- **Colourways:** A harmonious balance of classic colours and on-trend hues will allow for easy integration into any design scheme. Spice and Ink are modern shades with a fashionable mood, while neutral tones like Glacier and Flint are soft, subtle and sophisticated. Ruby and Scuba are bolder options with jewel-like qualities that will captivate the room.
- **Rating:** Fire Rated with HALO characteristics of high performance and easy cleanability; BODHI offers a diverse colour range combined with soft velvety textures to create a complete collection that is ideal for upholstery in both residential and commercial settings.
