

WARWICK

ENTICING AND TENACIOUS TEXTURES - CARRICK by Warwick

Overview: With its 100% polyester construction CARRICK is a transitional plain-woven fabric that brings dense and durable texture to countless situations. This fabric's engaging aesthetic and tactility offer a variety of moods that have the ability to mingle into most interiors with a relaxed, refined nature.

- **Design:** CARRICK is a yarn-dyed, plain weave with a mixture of chenille and filament fibres. This mix creates a slight sheen and subtle stria effect. Soft and sturdy, CARRICK's lustrous pile creates a perfect textural combination for all upholstery applications from heavy commercial to general domestic.
- **Application:** CARRICK combines Halo easy-clean properties, AS1530.3 fire rating and heavy commercial strength to create an extremely user-friendly fabric. This fusion of features teamed with its tonal texture and 100% polyester construction make CARRICK perfect for cushions and upholstery in any interior.
- **Colourways:** 19 colourways make up CARRICK's transitionally toned palette, creating a selection of moods. Birch, Ash, Onyx and Brindle offer classic neutral hues. Rich, traditional colours can be found in Pine, Midnight and Grape. Current and contemporary colours are represented by the likes of Flame, Sky and Acacia.
- **Rating:** CARRICK is AS1530.3 fire rated with a heavy commercial rating. An ideal solution for high traffic areas with its chunky tonal weave and Halo easy-clean properties. Colour curated in our Melbourne studio, CARRICK adds organic looking texture, perfect for subtle or statement upholstery that is tenacious and carefree.
