EAMES

A VERSATILE, DUAL-PURPOSE PLAIN FOR CASUAL AND ORGANIC STYLES - EAMES by Warwick

Timeless in style, EAMES is a transitional plain that is versatile and will suit various types of interior looks. Durable, washable and dual-purpose, EAMES is ideal for creating a relaxed and organic aesthetic for casual residential and rustic heavy commercial spaces.

- **DESIGN:** EAMES is a soft, yet dry textured, plain weave with a fashion-forward linen-look and matte finish — its slubbed yarn bringing texture for visual interest. This easy to use, multi-purpose fabric is perfect for creating mindful, tranquil spaces where textures can be layered and soft hues can be incorporated with its on-trend colour palette.
- **APPLICATION:** Washable and dual-purpose, EAMES is ideal for creating upholstery and drapery that are both tactile and organic in aesthetic. With the added benefit of its commercial rating, EAMES sits effortlessly and elegantly in rustic residential and casual commercial interiors, offering style and a relaxed mood.
- **COLOURWAYS:** With a comprehensive colour line of 20 shades, EAMES features key neutrals, as well as on-trend colours that are timeless and bring calm and cheerful moods. Snow, Ivory, Alabaster, Parchment, Linen and Java offer a choice of warm neutrals, while on the opposite side of the spectrum, Charcoal, Fossil, Steel, Silver and Mist bring both cool and warm tones to the mix. Trend colours of Blush, Rose, Ochre, Honey and Olive allow the opportunity to embrace colours that are subtle in saturation and play into the natural, relaxed aesthetic, whilst Forest, Mint, Sky and Denim offer classic blue and green options to the range.
- **RATING:** EAMES is a dual-purpose, washable plain that is an ideal fabric for heavy commercial applications and high traffic areas. With a soft and timeless colour palette, EAMES is a durable, tactile collection that brings subtle texture and a stylish, organic aesthetic to any interior space.
