## SUMPTUOUS STRUCTURE WITH BEVELLED GEOMETRY - ESSENCE by Warwick

Overview: Structured symmetry and quilting combine to bring you the rich and opulent ESSENCE. This range creates a visual contrast with a sumptuously soft velvet-look finish. Including a coordinating plain, ADORE compliments perfectly to construct countless upholstery looks.

- **Design:** ESSENCE is a warp-knit, 100% polyester piece-dyed fabric with a woven backing. The padded fibre filling, micro-pile and geometric quilt finish gives ESSENCE its stunning 3D structure with soft bevelled edge. ADORE adds a colour matched plain to contrast and create various aesthetics. These fabrics combine to build an adaptable heavy commercial upholstery collection for a wide range of applications and looks.
- **Application:** This heavy commercial, fire rated fabric features Halo easy-clean properties and an Oeko-Tex certification. Making ESSENCE an opulent and optimal choice for comforting cushions, and statement upholstery in large or small-scale applications. Composing your own soft touch, yet graphic inspired interior has never been easier.
- **Colourways:** ESSENCE's dimension, structure and tonal sheen feature 12 colours. Teamed with ADORE this mix and match range of fabric has an extremely adaptable nature. Trending tones include Orchid, Mallard, Pine and Copper. Rich colours of Atlantic, Midnight and Berry bring more traditional hues. For sophisticated and timeless neutrals see skus of Cinder, Shadow, Truffle and Pearl.
- **Rating:** ESSENCE and ADORE are Oeko-Tex certified, fire rated and boast a heavy commercial rating. Their 100% polyester construction feature easy-clean Halo properties, perfect for all interior applications from high-traffic areas to plush, opulent bedheads and upholstery. This lavish velvet-look fabric adds sophisticated structure to a space with whimsical geometrics and bevelled depth.
