## PLAYFUL PATTERN AND MODERN MONOCHROME UNITE - FLORIAN by Warwick

Overview: FLORIAN is a dual-purpose collection of globally inspired designs in a bold monochrome palette. The playful patterns can be used effortlessly alone or in combination to conceive casual yet inviting spaces in modern residential and commercial interiors.

- Design: Drawing inspiration from global mark making styles, FLORIAN is digitally printed on a softly textured base cloth. SILAS, ATREIA and GRAYSON are small scale patterns, inspired by traditional block printing techniques. ENZO and XENON bring a retro vibe, whilst EASTON and COLT offer modern, abstract geometrics. Lastly, FLORIAN is a large scale abstract botanical with a hand drawn aesthetic.
- Application: FLORIAN is 100% polyester with AS1530.3 fire ratings, Halo branded qualities and is washable. This collection is inherently easy to clean and maintain suited to both drapery and upholstery applications.
- Colourways: A modern yet playful monochromatic palette carries across all eight designs within the FLORIAN collection. With the exception of FLORIAN itself that has a natural-coloured background to offer a warmer option whilst still maintaining the neutral palette.
