## CREATE ELEGANT AND SERENE SPACES WITH A MODERN TOUCH - ZORA by Warwick

Create a modern and serene space with ZORA. Durable and dual-purpose, ZORA is a diverse collection of transitional designs that can be used to create relaxed, yet sophisticated interiors. Whether it's for casual drapery or elegant upholstery pieces, this collection will sit effortlessly in any interior space.

- **DESIGN:** In three transitional designs that are made to complement each other, ZORA embodies a textural slub yarn that has a subtle sheen, resulting in a sleek aesthetic. Versatile and suited for any interior space, ZORA features FLORIAN, a hand drawn, large-scale abstract botanical; MISA, a small-scale ditsy with a block printed finish; and ZORA, a contemporary wide width stripe that will create a relaxed and coastal look.
- **APPLICATION:** Heavy Commercial and FR tested with Halo easy-clean benefits, ZORA is a dual-purpose, washable, durable and diverse collection that can be used in many ways. From coastal style drapery and roman blinds, to elegant and Hampton style upholstery pieces, ZORA is versatile and easy to implement in any new or existing residential or commercial spaces, creating casual, yet, sophisticated interiors.
- **COLOURWAYS:** Featuring eight distinct yet classic colourways, ZORA has a hue for any mood and style. Fresh neutrals can be found in Ecru, offering a clean, crisp neutral option that is calming, while cooler neutral shades of Mist and Onyx provide a classic and sophisticated alternative. Earthy tones of Honey and Brick offer popular trend colours alongside Dusk, which complements the palette and brings a fresh take on pink. Lastly, Opal and Ink complete ZORA's colourway by bringing cooler blue and green options.
- **RATING:** Heavy Commercial and washable with a FR AS1530.3 rating, ZORA also features Halo easy-clean characteristics, making it ideal for heavy commercial applications and high traffic areas. Versatile in nature, this collection can be used to create either a fresh coastal, Hampton style, or contemporary urban residential or commercial spaces, depending on its colourway.
