

WARWICK

TIMELESS YET CONTEMPORARY - FLYNN by Warwick

Overview: The relaxed textural feel of FLYNN sets the tone for its desirable appeal. Think sophisticated, clean comfort meets organic textures, which are available in a broad range of colour to satisfy the minimalist mind and the lover of bold experience alike. FLYNN is a versatile range that has the ability to adapt into any environment.

- **Application:** This upholstery range infuses a relaxed and casual energy into both residential and commercial spaces. Featuring a chenille texture with a soft touch, the versatile and practical fabric offers Halo characteristics with a heavy commercial rating.
- **Colourways:** The palette features 31 colours that move from timeless neutrals of Steel and Sand to vibrant brights such as Fuchsia and Peacock. Traditional hues including Grass and Seafoam offer a softer, harmonious introduction of colour and help to create a casual refined look.
- **Rating:** With Fire Rating, Halo characteristics and Oeko-Tex certification, the Australian made FLYNN offers a versatile collection that is ideal for upholstery purposes in residential and commercial settings alike.
