

WARWICK

RECYCLED VELVET, A NEW ERA OF SENSORY SOPHISTICATION - HALSTON by Warwick

Unveiling an evolved velvet with a rich, refined and recycled sophistication, born from a mindful approach to modern design and curated to inspire, HALSTON is a new chapter in velvet elegance where luxury meets innovation with its timeless texture and beautifully soft comfort.

- **DESIGN:** HALSTON'S soft handle and understated sheen is a legacy characteristic of velvet, setting the standard for style and sophistication that is effortlessly plush. Velvet is the embodiment of tactile luxury where its dense pile is smooth to touch and reflects the light with intrigue and depth, showcasing a subtle horizontal slub.
- **APPLICATION:** Rated heavy commercial and dual purpose, HALSTON is a versatile solution where durability and elevation are required. From classic to contemporary, it has the adaptability to be used across furniture and drapery making it perfect for accent pieces, functional privacy, area definition and soft furnishing in both residential and commercial spaces.
- **COLOURWAYS:** HALSTON offers a colour for every decision offering a versatile palette to suit each vision. With options that are decidedly classicist, favouring jewel like tones of ruby red, sapphire blue and emerald green, more avant-garde hues have been included that will allow a space to take on a contemporary edge, ensuring versatility for both timeless and modern designs.
- **RATING:** Heavy Commercial with Oeko-Tex certification, Halo easy-clean characteristics and an AS1530.3 fire rating. HALSTON is made from 100% recycled polyester and is part of the Warwick Encore brand where a minimum of 50% recycled yarn is required to receive the Encore endorsement.
