ESCAPE INTO A FLORAL WONDERLAND - HARLOWE by Warwick

Escape into a floral wonderland with HARLOWE. Warwick Naturally and dual-purpose, HARLOWE is a contemporary floral print that brings playful, abstract colour and whimsical moods, while offering elegant and fresh styles for both modern residential and urban commercial interiors.

- **DESIGN:** Inspired by the beauty of nature, HARLOWE is digitally printed on a plain, woven base cloth, which gives the print a textured finish. The painterly traces and marks of this design are left untouched, offering an authentically crafted product that is reminiscent to original artwork. With a dry touch and matte finish, HARLOWE is perfect for creating bright, playful and colourful spaces that embrace nature.
- **APPLICATION:** Dual-purpose and durable, HARLOWE will bring elegance and fresh, timeless styles to an array of environments. Oeko-Tex certified, HARLOWE's versatility and lively pattern makes this collection ideal for creating statement drapery, sofas and ottomans, as well as captivating cushions and lampshades.
- **COLOURWAYS:** In five enchanting colourways, HARLOWE offers a shade that will create a myriad of moods while enlivening a space with colour and charm. Peony, Wattle, and Lorikeet are bursting with fresh, radiant hues, while Clay offers a more earthy and muted option. For a cooler alternative, Mineral brings calming, cool toned blues that are perfect for modern, tranquil settings.
- **RATING:** Warwick Naturally with Oeko-Tex certification, HARLOWE is a dual-purpose and versatile fabric that is suitable for commercial and residential applications. Stylish and elegant, HARLOWE's captivating floral design and fashionable colourways allow for an array of moods and styles to be created — especially for those who love and want to reconnect with nature.
