

WARWICK

A CLASSIC REVIVAL - Winslow by Warwick

Overview: New release WINSLOW is a refined collection of classic, decorative English inspired designs, featuring a subtle visual texture and delicate colour palette. Traditional patterns have been reworked to maintain modern day relevance while the collection is enhanced with woven gradients to add depth to classic motifs and designs. A lustrous jacquard weave breathes new life into an elegant and welcoming fabric that captivates with traditional beauty.

- Composition: 66% Polyester, 34% Cotton
- Inspiration: WINSLOW speaks simultaneously of sophistication and comfort, taking inspiration from the stately mansions and homely cottages that dot the English countryside.
- Application: Designs and colourways have been consciously created to provide multiple options to coordinate across both drapery and upholstery applications. The WINSLOW collection can apply classic style to a modern banquette and ottoman, or offer an elegant update for drapery, seating, cushions and feature furniture.
- Design: Four distinct and complementary designs rework a traditional decorative weave. WINSLOW's damask and HARROGATE's floral bring decorative edge to classic design schemes. A regency stripe gives EASTBOURNE elegant appeal while AYLESBURY's restrained ogee has versatile applications.
- Colourways: 7 colourways work in harmony. Powdery Duck Egg and Parchment are understated options while Sage, Onyx and Pewter offer a stronger, more contemporary base to a traditional design. Classic Ivory and Bordeaux are graceful, time-honoured tones.
- Rating: The WINSLOW collection is carefully constructed to meet dual purpose standards for domestic use.
