

WARWICK

CASUAL COMFORT WITH REFINED STYLE – KIKO by Warwick

Overview: Feel at home with KIKO, a Warwick Naturally collection that boasts a mixed fibre blend with a beautifully soft handle. Ideal for mix and match upholstery purposes, KIKO's transitional designs will create an inviting space that is warm, textured and effortlessly sophisticated.

- **Application:** Featuring a yarn dyed, fine viscose chenille with a natural warp to offer contrast and texture, KIKO is the ideal fabric for tactile sofas, scatter cushions, bespoke bedheads and accent furniture. KIKO's refined style creates a relaxing aesthetic for tailored upholstery pieces, while the soft texture and subtle sheer will enhance the mood of any room.
- **Design:** Creating the perfect pair, KIKO's small-scale organic diamond design creates depth and dimension while KUMI offers a plain weave with elegant texture and timeless style.
- **Colourways:** Boasting a modern colour palette of sophisticated hues, KIKO will incorporate into existing design schemes with ease. Ivy and Blush are contemporary colours with a refined sense of style, while key neutrals such as Mushroom and Vapour offer casual elegance and a relaxed mood. Teal and Manuka represent refreshing tones with a vibrant appeal that will add personality and character.
- **Rating:** KIKO is a Warwick Naturally collection that is Oeko-Tex certified, making it the perfect fabric for upholstery in residential settings while KUMI can also be used in general commercial environments. A dignified range, KIKO is the transitional collection you have been waiting for.
