

WARWICK

Lavish

Lavish Plain Hanger

Lavish is the latest addition to our extensive library of wide width drapery fabrics.

With an elegant and lustrous satin weave, Lavish boasts 100% block-out properties with the addition of a 3-pass coating.

Available in a concise colour line of 7 neutral tones, Lavish can be used as a stand-alone feature, or as curtain lining.

With great insulation properties for heating and cooling, and the additional convenience of a 280cm wide width, Lavish is the perfect accompaniment for any interior.

Lavish is 100% polyester, meaning it is hard wearing and will not shrink. Further, it has been rated for fire retardancy.
