MODERN RETRO MEETS OPULENT COMFORT

Overview: With an enticing selection of opulent colours and comforting texture, LEONARDO is a transitional plain made to enrich any interior. The chenille fibre is soft to touch and offers an enticing subtle sheen, creating a sophisticated and inviting texture. Both residential and commercial interiors will be given the ultimate look of luxury with this delightfully sumptuous range.

- **Application:** Merging the soft and luxurious nature of a chenille with natural fibres of viscose and linen, LEONARDO is soft and dry to touch while offering a completely cosy and comforting feeling – perfect for snug chairs, oversized sofas or plump cushions. Its subtle sheen gives a level of opulence, allowing it to be used in more sophisticated spaces, and adding a touch of luxe to those special furniture pieces.
- **Colourways:** LEONARDO offers a multitude of on-trend colours to celebrate life and create a nurturing home environment. With a total of 30 hues, this extensive collection provides an endless option of nature inspired shades to bold modern retro tones. Nougat, Toffee and Walnut offer warm neutrals, while cooler neutrals can be found in Dove, Titanium and Slate. Moss, Forest and Terracotta are bolder, nature inspired hues, and Blush, Seafoam and Ocean will relax and sooth.
- **Rating:** Heavy Commercial in durability with an all-encompassing colour pallet, LEONARDO is a delightfully soft-touch textured plain to invigorate and inspire. From cosy cushions to luxurious sofas, this lush and inviting quality will add warmth and opulence to any interior.
