BEAUTIFULLY SOFT TEXTURE FUSED WITH COMMERCIAL SENSIBILITY – WARGUARD by Warwick

Embracing dimensional texture and a timeless colour palette, the WARGUARD library is a combination of relaxed, sophisticated, and versatile plains that have the added protection of the WARGUARD treatment.

WARGUARD is at the forefront of 'Green Technology' using a waterbased formula, free from harmful chemicals. This collection book not only combines beautifully rich colours and textures with the sensual hand feel of jacquard and chenille, but it has the performance requirements for residential and commercial interior spaces, safeguarding with durability, stain-resistance, and ease.

- **DESIGN:** Featuring 5 designs with over 70 colours to choose from, this collection will compliment a multitude of design styles whether it be contemporary minimalism, traditional and classic, or rustic inspired interiors. Each style brings subtle textural charm with the washed effect of MAREEBA enhancing weave and colour, the nuanced organic chenille of PAVLOS, the eclectic palette and structural weave of NIKKOS, the lustrous, richly pigmented range of CAULFIELD and the faux linen-look of OVERTON.
- Oeko-Tex certified, Halo easy-clean and AS1530.3 and AS1530.2* fire rated for both convenience, durability, and safety. The WARGUARD library also has the protective confidence of the WarGuard treatment, guarding against stains without harmful chemicals. All WarGuard fabrics cannot be treated with additional fabric treatments.
