MARIO

EMBRACE SOFTNESS WITH SOPHISTICATED HOUNDSTOOTH BOUCLÉ

Cosy in aesthetic and elegant in style, MARIO is a contemporary, textured bouclé with a sophisticated houndstooth pattern. Beautifully soft and made in Italy, MARIO is perfect for creating warm, cocoon-like spaces with a luxurious twist in both modern residential and commercial interiors alike.

Design: Contemporary and on-trend, MARIO is a textured woven bouclé that features a woven houndstooth pattern made from hybrid fibres for a cocooning feel. Chunky in texture, MARIO brings a luxe, tactile quality and statement pattern for a look and style of sophistication.

Application: Tactile and made from premium European quality, MARIO is perfect for adding warmth and luxury comfort to an interior. Versatile in design and made to pair back with any pattern or plain, MARIO can be used in domestic and general commercial spaces to create beautifully exquisite sofas and ottomans that make a statement, as well as sumptuous cushions.

Colourways: In four timeless colourways, MARIO offers a neutral, classic palette that will suit any scheme. Ivory is the lightest shade in the collection that is subtle yet elegant, while Buff brings a warm caramel tone. For darker options that bring complexity, Charcoal and Onyx truly showcase the houndstooth pattern, allowing the design to pop with its contrast.

Rating: Bringing an enticing bouclé texture, MARIO's stylish pattern combined with its classic neutral palette allows for a myriad of looks, themes and moods to be created in both residential and general commercial spaces. With a modern spin on traditional houndstooth pattern, MARIO is a collection that offers soft, cosy texture for luxurious comfort, as well as lavish, decorative design for a sophisticated aesthetic.
