CREATE TIMELESS STYLES WITH SOFT, CHUNKY TEXTURE - ORION by Warwick

Timeless and soft to the touch, ORION is a chunky, dual-purpose plain that will sit with sophistication in any transitional interior space. Warwick Naturally, featuring a playful and versatile palette, ORION is perfect for creating modern residential and sophisticated general commercial spaces alike.

- **DESIGN:** Contemporary, ORION is a piece dyed, plain weave made from a natural fibre blend of varying yarn structure to create an interesting visual contrast for depth and dimension. Soft touch with a dry finish, ORION's chunky, subtle texture makes this collection versatile and can easily be paired back with other colours, patterns and features in a room. It is also a great option for those wanting a matte look with a casual, natural aesthetic.
- **APPLICATION:** Dual-purpose with Oeko-Tex certification, ORION's soft finish and rich texture is perfect for creating timeless upholstery and drapery, as well as modern cushions, and lampshades. With the added benefit of being washable, ORION brings modern sophistication to a myriad of spaces, as well as casual, natural styles, and relaxed moods.
- **COLOURWAYS:** Featuring a generous palette of 23 shades, ORION brings a mixture of timeless neutrals and playful colour designed to suit any desired look. On the warm neutral side, Snow, Rice, Ecru, and Chai bring a sophisticated style, while on the cooler side of the palette, Gull, Zinc, Mink, and Charcoal offer depth and dimension to a space. For something bold and colourful, Coral, Dijon, Ivy, and Azure are great options for brightening and livening a room.
- **RATING:** Oeko-Tex certified and dual-purpose, ORION is also washable, making it an ideal collection for any modern residential or general commercial space. Soft to the touch and Warwick Naturally, ORION is a versatile range that brings rich, chunky texture, visual interest, and timeless style to an array of interiors.
