PELLE

A SOFT AND SUMPTUOUS LEATHER ALTERNATIVE – PELLE by Warwick

Creating leather-look upholstery is now easier than ever with the new PELLE range. The subtle printed micro-texture emulates the natural grain of leather while the pre-softened finish offers ultimate comfort. PELLE boasts heavy commercial durability and AS1530.3 fire rating, along with Halo easy-clean qualities, making it ideal for residential and commercial upholstery alike.

- **Application:** Inspired by traditional leather textures and reinterpreted for the contemporary interior, PELLE is versatile in nature with its hardy yet comfortable finish. Featuring Halo easy-clean characteristics and AS1530.3 fire rating, it can be applied to an endless array of furniture styles, from classic and sumptuous recliners to sleek and modern sofas and chairs. With heavy commercial durability, it will stand the test of busy households and commercial interiors alike.
- **Colourways:** The PELLE collection encompasses 15 timeless colours inspired by nature and traditional leather tones. Warm neutrals are found in hues of Bison, Fawn and Java, whereas urban and cooler colours are seen in Dove, Onyx and Slate. A modern and sophisticated take on traditional leather tones can be achieved with options like Bordeaux, Navy and Sage.
- **Rating:** Heavy commercial rated and fire tested to AS1530.3 standards, PELLE boasts the Halo logo, making it easy to clean and maintain and perfectly suited to both domestic and commercial interiors. The soft touch leather-like texture brings a natural element to interiors, perfect for any environment, from the traditional to the sleek and modern.
