

WARWICK

A FLORAL FANTASY - PICTON by Warwick

Escape into a beautiful, floral fantasy with PICTON. Designed in the Warwick Design studio, PICTON is a bold, evocative collection bursting with colour that is perfect for creating a captivating and sophisticated aesthetic suited to a myriad of interior styling possibilities. Its beautifully soft velvet texture is plush and durable, making it suitable for striking residential and whimsical heavy commercial upholstery applications.

- **DESIGN:** PICTON is a contemporary, modern, Jurassic-inspired floral print that is full of depth, colour and varying motifs. Bold in nature, PICTON is digitally printed on our MYSTERE fabric, creating a smooth basecloth that accentuates the rich plethora of colours and adds visual depth. Plush and soft to touch, this collection has a subtle sheen in its finish and is bound to create striking statement pieces. Its expressive, creative design and variety of stunning colourways spark imagination and creativity, as well as bring whimsical and joyful moods to an interior.
- **APPLICATION:** Unique in design, PICTON is a soft, yet durable knitted velvet that will create beautiful, fun and visually captivating feature pieces with its vivid floral print. FR tested with the added benefit of Halo easy-clean properties, this collection is a great way to incorporate print and colour into traditional residential or contemporary Heavy Commercial spaces alike.
- **COLOURWAYS:** In four rich variations of colour with a contrasting background, PICTON offers a hue that each ignite a myriad of moods and interior design ideas. For a softer option, Sorbet is a floral brimming with dreamy pastel hues and bright pops of colour. On the bolder side for colour lovers, Rosehip features deep jewel tones of pink, orange and rich burgundy, while Jungle is a cornucopia of jungle-inspired greens contrasted with striking colours of blue, orange and berry. And lastly, for a sophisticated and moody colourway, Midnight pairs a deep navy background with an array of warm, rich colours.
- **RATING:** Heavy commercial with AS1530.3 fire rating, PICTON is a durable, soft touch fabric that can be used to create decorative and lively upholstery of any scale for both modern residential and commercial interiors. With the added benefit of Halo easy-clean, PICTON's vivid and captivating floral print is set to enliven any space with its colourful and striking characteristics.
