

WARWICK

SHEER, SOPHISTICATED AND ELEGANT DRAPERY - PALISADE by Warwick

OVERVIEW: Featuring two classic sheer designs, PALISADE is a sophisticated drapery collection that is elegant and timeless. Self-weighted with a 320cm continuous wide-width, and in two transitional styles, PALISADE offers different, yet, serene options of timeless stripes that are perfect for softening a residential or commercial space.

- **DESIGN:** Both designs featured in the PALISADE collection are a jacquard sheer, with subtle crosshatching textured yarns in their weave, this makes them ideal for privacy and light filtering. Portico is a classic pinstripe that brings sophistication and elegance to a space, whilst Palisade's broad detailed stripe design offers a casual and relaxed mood.
- **APPLICATION:** Oeko-Tex certified with a generous 320cm continuous, self-weighted wide-width, PALISADE is a dry and softly textured light-weight fabric that adds a touch of elegance into any modern residential or commercial space with the added benefit of FR test results.
- **COLOURWAYS:** PALISADE offers six core neutral colours that are timeless and effortless. For a light and breezy aesthetic, Polar and Ivory are ideal for creating a relaxed, coastal look. Warming earthy tones such as Ecru and Flint bring subtle colour, while contrasting and cool neutrals of Smoke and Shadow are suited to urban environments for a sharp and tailored interior aesthetic.
- **RATING:** With Oeko-Tex certification and a AS1530.3 and AS1530.2 fire rating, this light-filtering collection can also be used for soft roman blinds for a casual interior design.
