## STATELY STYLE with Renaissance by Warwick

Overview: RENAISSANCE presents a coordinated, collection of 15th Century European inspired designs. Tactile and luxurious natural linens and cotton blends, chenille jacquard weaves and sumptuous velvets all tell a distinguished story. The range is endlessly elegant, incorporating screen and foil print, decorative florals and a selection of ornate patterns, all delicately detailed across premium fabrics. A new release from Warwick, RENAISSANCE is dispatched directly from our UK warehouse after purchase.

- Inspiration: RENAISSANCE takes its cues from the grandeur of Italy, the Italian masters and the artistically significant cities and architecture of Italy.
- Application: RENAISSANCE impresses with a variety of textures, fabric compositions and colourways for use across drapery, feature upholstery and cushions.
- Design: Historically distinct patterns and scenes depict the faded landscapes of old world Venice, flourishing gardens, tumbling peonies, distressed abstracts and the ethereal charm of damask and brocade.
- Colourways: Soften a space with the muted colourways of Alabaster and Sepia, designed to complement modern and classic interiors. Enrich a room with the warm tones of Sienna, Lava and Indigo for a sophisticated accent.
