

WARWICK

A CONTEMPORARY FUSION OF COLOUR & TEXTURE - RITZ by Warwick

Overview: Glamorous and opulent, RITZ is a versatile plain that offers a beautifully textured handle for effortless draping and tailored upholstery. The perfect combination of colour, texture and sheen, RITZ's tactile surface and silky lustre exhibit a captivating aesthetic in a luxurious array of hues.

- **Application:** A small-scale jacquard weave creates an opulent tactile touch while the rich blend of yarns offer a slightly luminous aesthetic that is glam and luxe. RITZ is a dual purpose plain with the added benefit of easy washability, making it the ideal fabric for sophisticated drapes and upholstery, as well as soft bedspreads and roman blinds.
- **Colourways:** Pastels such as Mist and Rosewater are beautiful complementary shades that exhibit a soft and calming mood, while Gold and Scarlet are examples of statement colours with a bold aesthetic that is bright yet rich. Traditional colourways like Midnight and Cypress are easily coordinated into existing design schemes with a style that is timeless and refined, while key neutrals such as Dove and Lunar offer both cool and warm tones for a look that is subtle and sophisticated.
- **Rating:** A washable plain, RITZ is a dual-purpose fabric that is perfect for upholstery and drapery in residential settings. Boasting satin-like textures and a lustrous sheen, RITZ is available in a myriad of colours with the added benefit of Oeko-Tex certification.
