

WARWICK

TAILORED TWEED WITH COMFORTING CHARM - TWEEDY by Warwick

TWEEDY is an Italian natural fibre blend with a refined look and mottled texture. With its tonal nature, TWEEDY is an inviting and tasteful way to add visual interest to your interior space.

- **DESIGN:** Yarn dyed with a plain weave construction, TWEEDY features a soft tactility and a densely woven aesthetic from its varying yarns. The matte finish of this fabric makes it an impeccable choice for adding comfortable and sophisticated colour with ease.
- **APPLICATION:** TWEEDY's natural fibre blend is perfectly suited to cushion and upholstery applications in general commercial and heavy domestic situations. Adding visual interest in small or large projects with a cultivated look.
- **COLOURWAYS:** Featuring 11 tasteful tones, TWEEDY has a colourway to blend and contrast into a wide variety of interior schemes. Colours of Melon, Dijon and Army offer a more trending palette to play with. Neutral hues are expressed through colours of Espresso, Sand and Cobblestone, perfect for blending natural colours into existing schemes. Kingfisher, Ocean and Storm tender more impact tones for a bolder contrast. Transitional by nature, TWEEDY's colours help to define the mood and aesthetic it creates.
- **RATING:** This Italian, natural fibre blend is well suited to most general commercial and heavy domestic environments. With a considered and tailored palette, this transitional, Warwick Naturally fabric creates a selection of moods with a refined nature. With its thick, textural contrast and soft handle, TWEEDY adds a charming comfort and charisma to any interior.
