

WARWICK

Care Label 5 – Chintz or Moire

Regular care (weekly)

- Vacuum regularly using low suction
- Rotate reversible cushions regularly
- Protect from direct sunlight

Cleaning

Do not remove cushion covers for separate cleaning or washing, even though they may have zippers. Do not shampoo or clean. Do not clean with hot water extraction. Do not sponge with water. May be cleaned with dry powder cleaner. Sprinkle powder over fabric. Spread powder to ensure uniform coverage. Allow powder to stand for recommended period. Vacuum powder from fabric with gentle suction.

Spot Cleaning

Treat spills and stains as soon as possible. Gently scrape any soil or mop any liquid from the surface of the fabric. Spot clean with dry cleaning solvent or dry powder cleaner. Do not sponge with water or detergent solution.

Annual professional cleaning recommended.

Pilling

Can occur occasionally as a result of normal daily wear and should not be considered as a fault. Fibre pills can be removed by a battery operated pilling tool available from most haberdashery stores.
